

Technical Specifications

Discovery Education is dedicated to providing platform neutral solutions that deliver engaging, relevant, standards-aligned content on any device, anytime, anywhere. We are continually working to provide an increased level of accessibility from multiple platforms, including PCs, Macs, mobile devices (Android, iPhone), and tablets like the iPad.

Recommended Browser Versions by Operating System:

	Mac OS X	Windows 7	Windows XP, Vista
Internet Explorer	N/A	9	8*
Firefox	16 – 24	16 – 24	16 – 24
Chrome	26 – 29	26 – 29	26 – 29
Safari	5.x	5.x	5.x

* - Some features require a [Chrome plug-in](#) for full functionality with IE 8

Software Requirements

Discovery Education does not require proprietary plug-ins. All software required to use our products are commonly installed on computers from the factory and available for download at no charge from the software developer. See [Browser and Download Plug-In Links](#) in the help tab for links to the software developer's sites. I have also attached the list on the following page.

- Macintosh: Quicktime, Adobe Flash (11 recommended), Adobe Shockwave, Adobe Acrobat Reader
- Windows: Windows Media Player or Quicktime, Adobe Flash (11 recommended), Adobe Shockwave, Adobe Acrobat Reader

Access to Websites

Please make the following websites accessible for to all participants:

www.wikispaces.com
 www.edmodo.com
 www.youtube.com

Audio

Please make sure that all volume controls are turned on for each device used in trainings.

Please suggest that all participants bring headphones to all sessions.
